SUMMARY

ITI-certified plumber with 9 years of hands-on experience on residential and commercial sites across Jaipur. Strong in pipe fitting, CPVC and GI line work, sanitary fitting and arc welding. Comfortable reading plumbing layouts and working to a site schedule.

SKILLS

- Plumbing — bathroom and kitchen fitting, drainage, leak detection and repair
- Pipe fitting — CPVC, UPVC, GI and PPR lines; threading, bending, pressure testing
- Welding — arc welding of pipe brackets, clamps and supports
- Sanitary ware installation, water pump and overhead tank connections
- Tools: pipe wrench, threading machine, angle grinder, welding machine

WORK EXPERIENCE

Senior Plumber — Maheshwari Builders, Jaipur

March 2021 - present

- Complete plumbing for 60+ flats across three residential towers.
- Led a team of 4 helpers; handled material estimation and site coordination.
- Carried out welding of pipe supports and clamps in the basement plant room.

Plumber — Shree Ram Plumbing Works, Jaipur

June 2017 - February 2021

- Residential repair and new fitting jobs, 4-6 sites per week.
- CPVC and GI pipe line laying, pressure testing and commissioning.

Plumber Helper — Local contractor, Jaipur

August 2015 - May 2017

- Assisted senior plumbers; learned pipe threading and sanitary fitting.

EDUCATION & CERTIFICATION

- ITI Plumber Trade — Government ITI, Jaipur (2015)
- Class 10 — Rajasthan Board (2013)
